

ACCELERATION CONVENING for District Instructional Leaders

The Connecticut Center for School Change has been supporting many districts across the US with Acceleration as a strategy for maximizing student learning since the summer of 2020.

Now that we are beginning a new school year, we think this is an opportune time to bring together superintendents, assistant superintendents, and directors of teaching and learning to hear from us how the work has evolved, and hear from each other what they are working on.

We will send out a more complete agenda in advance of the meeting.

Coffee and lunch provided

October 28, 2021
9:00 am – 3:00 pm

CT Association of Schools
30 Realty Drive
Cheshire, CT 06410
