WORKSHOP: SUPPORTING BUILDING THINKING CLASSROOMS FOR MATH COACHES

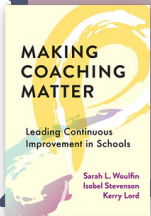

This workshop is for math coaches at the building or district levels who are interested in, or already are, supporting the implementation of *Building Thinking Classrooms* (BTC) in their schools and districts. We will be:

1. Connecting BTC to a district vision for high quality instruction;
2. Discussing creating the conditions for implementation of BTC for teachers, coaches, and leaders;
3. Laying out a framework for thinking about BTC to a district strategy for improvement and to continuous improvement;
4. Providing time to network with other coaches while working on next steps.
