

WORKSHOP

Coaching Institute

During this 3-Day Institute, participants will learn about and practice the following:

- Coaching educators in order to support equity, instructional and leadership practice, and school and district improvement;
- Listening in order to encourage, sustain, and develop the skills of educators;
- Providing feedback in a research-based and supportive manner;
- Asking questions to move educators through the cycle of inquiry;
- Supporting strategic thinking, problem-solving, and self-regulation.

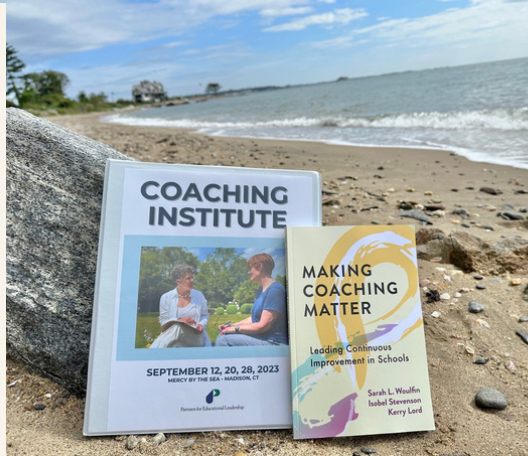

Participants will be asked to record their coaching, so please come prepared with a voice recorder or smartphone with voice recording app and ear-buds.
